However, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of our schools', CELCs', COSHCs' or offices' duty of care to the Student, or where Students have provided information in confidence.
10. Our [Privacy Statement](#) also sets out how you may complain about a breach of privacy and how we will deal with such a complaint. Our [Privacy Statement](#) is available in Policy Central at <http://www.parra.catholic.edu.au/privacy> and at the end of this form.

CATHOLIC EDUCATION DIOCESE OF PARRAMATTA POLICIES

Our Catholic learning community has in place a range of policies that set our direction and address the rights and responsibilities of its members. Our policies are available via www.parra.catholic.edu.au. Alternatively please ask school staff for assistance. We recommend that you familiarise yourself with the following:

- [Enrolment Policy](#)
- [Enrolment Procedures](#)
- [Student Attendance Exemption Guidelines](#)
- [Student Anti-bullying Policy](#)
- [Responsible Use of ICT and Social Media Student – Guidelines](#)
- [Complaint Handling Procedures and Guidelines](#)
- [Countering Discrimination, Harassment and Bullying Procedures and Guidelines](#)
- [Procedural Fairness Guidelines](#)

SCHOOL FEES

School fees are determined annually by CEDP and schools. School fees comprise:

- annual diocesan tuition fees billed in Terms 1, 2 and 3
- annual diocesan building levy billed in Terms 1, 2 and 3
- diocesan temporary residents education fees (if applicable)
- school-based fees which are set and advised by schools individually

Information about diocesan tuition fee, building levy and Sibling Discount Policy are available on the system website <http://www.parra.catholic.edu.au/school-fees> and are subject to variation and updates.

School fees are billed in Terms 1, 2 and 3. All school fees must be paid within 28 days of the invoice date unless a payment arrangement is agreed to by the school in writing prior to the payment due date. If parents/carers experience difficulties in meeting payments within 28 days of the invoice date they must make special arrangements for a payment plan with the school. Parents/carers are jointly and severally responsible for the payment of fees.

School based fees for items such as camps, excursions, materials or technology may be charged to a student's account or may be payable when they fall due at various times throughout the year.

A pro-rata fee based on weeks enrolled for the year is payable for enrolments commencing part way during term. If a student leaves the school during a term, no refund will be made in respect of the remaining portion of that term unless a full term's notice in writing is given to the principal before removal of the student from school. This requirement of one term's notice also applies if seeking a refund due to withdrawal of the student from an extra subject.

For overseas students eligibility and fees are contingent on the visa status, as indicated by the visa sub-class. Parents must advise the principal of changes to their visa status and sub-class as changes to a student's visa status might also result in a significant changes in applicable fees.

CEDP and its schools recognise that at times, parents/carers may experience financial hardship and have a genuine inability to pay school fees. In order for the School to consider a payment arrangement or payment plan based on financial hardship, the parents/carers must provide the School with a completed Statement of Financial Position, along with any other supporting documentation requested by the School. Where school fee accounts are unpaid and no prior arrangement has been made by the parents/carers with the school, or where arrangements made are subsequently not honoured by parents/carers, then the following school fee collection process applies:

- A collection agency or solicitors may be engaged by the school to follow up outstanding fees.
- Parents/carers must pay all expenses incurred in pursuing recovery of overdue amounts, including (but not limited to) legal fees, court costs, location administrative costs and any fees and commissions payable to debt recovery agents.
- Any legal judgements made by the court may be reported to a credit reporting agency.

SCHOOL ATTENDANCE, EDUCATIONAL PROGRAMS AND POLICIES

Our school offers comprehensive educational programs for your child. Such programs may be varied from time to time and this may include the discontinuance of teaching subjects and other programs or replacement with other subjects or programs.

School activities include excursions and camps. These form an integral part of the school's educational program. In the event that a parent/carer anticipates need for absence this should be discussed with the school prior to the event. The principal may discuss such intended absence with you if it impacts upon the educational interests of your child.

Parents/carers have the responsibility to ensure that children in their care between the ages of six (6) and 17 attend school. If your child is absent for short periods due to medical reasons and you know of the intended absence in advance please advise the school of the date/s of the intended absence and provide reasons. Otherwise the school requires a written explanation from the parent/carer for every absence on the next day following the child's absence. Failure to comply with the attendance requirements of the *Education Act 1990* may result in the enrolment contract being terminated.

If you wish to apply for extended absence of your child from school please do so well in advance of the anticipated date(s) of the absence. To comply with law governing school attendance such requests may be refused.

The school does not undertake insurance of students' personal belongings. We recommend that you obtain suitable insurance for your child's belongings (including family belongings brought to school) throughout the year.

SECURE INTERNET AND EMAIL

Students are provided with internet access and an email account to enable learning opportunities in a protected and secure environment. Students must abide by the school's policies. Students and parents/carers should be aware of our [Responsible Use of ICT and Social Media Student – Guidelines](#) and [Password – Procedures](#): see <http://www.parra.catholic.edu.au/policy-central>.

Parents' occupation and education - National goals for schooling

Information about Parents' occupations and education is accessed by the Australian Curriculum, Assessment and Reporting Authority (ACARA) to meet the government's National Goals for Schooling in the 21st century. These state that the achievement of students in schools should not be affected by discrimination based on sex, language, culture and ethnicity, religion or disability; or by differences arising from social and economic background or geographic location. The goals also state that 'the learning outcomes of educationally disadvantaged students [should] improve and, over time, match those of other students'.

To help schools to achieve these goals, all Parents across Australia, no matter which school their child attends, are asked to provide information about family background. The main purpose of collecting this information is to promote an education system that is fair for all Australian students regardless of their circumstances.

We use the information to evaluate whether our policies are effective and to ensure that no group is experiencing undue disadvantage.

Providing information about Parents' occupation and education is voluntary, but Parents' information will help us to ensure that all students are being well served by our schools.

When will we send information overseas?

We will not send personal information outside Australia without:

- the consent (express or implied) of the individual, or their Parent where necessary, or
- otherwise complying with the Australian Privacy Principles or other applicable privacy legislation.

Our schools', CELCs', COSHCs' and office email systems are provided through Google Apps. Consequently emails and email account details may be transferred, stored and processed in the United States or any other country utilised by Google.

Our schools use a range of contemporary learning tools and latest technologies including Web 2.0 tools, Hubworks, cloud-based web services and apps for education. We may provide personal information to the relevant service provider in connection with the provision of these services. The service providers may be located, or store and process information, outside Australia, including in the United States, Singapore and Ireland.

Management and security of personal information

We have in place steps to protect the personal information we hold from misuse, interference, loss, unauthorised access, modification or disclosure by various methods such as locked storage of paper records and password access rights to electronic records. Wherever possible we require third parties with whom we exchange personal information to observe the Australian Privacy Principles.

We endeavour not to store personal information for longer than necessary.

Access and correction of personal information

You may access information we hold about you and request that it be updated or corrected. Such requests should be made in writing to the school principal or the CELC director or the COSHC supervisor (as applicable) or the relevant director of service at the Catholic Education Office. We may require you to verify your identity and specify what information you require. We may charge you a fee to access your information to cover expenses of verifying your application and locating, retrieving and copying relevant records. If the information sought is extensive, we will advise the likely cost in advance. We will not charge you for the request or correction of your personal information.

There may be occasions when access to information is denied. Such occasions may include where the disclosure of information may have an unreasonable impact on others, for example if the disclosure breaches a school's duty of care or the privacy of others. In certain circumstances, we may also refuse access to, or correction of, employee records applying exemptions under the Privacy Act.

Consent and right of access to personal information of Students by Parents

We treat consent given by Parents relating to personal information about Students as consent given by the Student and notices relating to personal information about Students given to Parents as notices given to the Student. An exception to this is when independently of Parents we may, at our discretion:

- give information we hold about a Student to that Student at his/her request, or
- allow a Student to give or withhold consent to release personal information about that Student.

This would normally be done only when the Student is of sufficient maturity and his/her personal circumstances warrant it.

There may be occasions where a Parent's access to their child's personal information is denied. Such occasions would include where release of the information would have an unreasonable impact on the privacy of others, or where the release may result in a breach of a school's, CELC's or COSHC's duty of care to the Student.

How do we treat sensitive information?

We will only use and disclose sensitive information for the purpose for which it was provided or for a directly related secondary purpose, unless you agree otherwise or the disclosure is permitted by law.
